REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Willow Drive Elementary is known as a friendly, neighborhood school. Most of our students live within walking distance, and we strive to create a warm, family-like atmosphere for our students, parents, and staff members. Many parent involvement opportunities are implemented throughout the school year. Teachers work collaboratively with parents to ensure that all children have a positive learning experience.

Willow Drive School serves primarily a lower income population with 75-85% of our students qualifying for free or reduced priced meals. We also have a rather transient population as approximately 30% of our students transfer on a yearly basis. In spite of these challenges, we have been fortunate to experience significant improvement in our goals of increasing student achievement and improving student discipline.

Some of the steps that were taken to accomplish this include correlating our curriculum with the state standards, participation in on-going professional development, reducing class size in all grades, Reading Recovery for at-risk first graders, small group reading, the Read 180 program, inclusion challenge classes, and a variety of parent involvement activities. We also involve our students in community service projects such as Jump Rope for Heart, Salvation Army Canned Food Drive, Christmas Cards for Shaw, Pennies for Patients, March of Dimes, and more.

We are also proud to have the Science Connections Magnet program at our school. The magnet program is offered to all district students who meet the criteria and are selected for the program. The program emphasizes science throughout all of the content areas. The University of South Carolina professors have partnered with our school to enhance the science instruction for our students.

In addition, Willow Drive Elementary School has been awarded numerous grants for improvements to our facility. We received a grant and many donations to create a beautiful learning garden in one of our courtyards. In addition, the Sumter County Family Lifestyles awarded us a grant for creating a recreational park on our playground area. Due to close proximity, the YMCA has partnered with our school to enhance after school programs. In closing, be assured the faculty and staff are dedicated to the mission of educating all children to their highest potential at Willow Drive Elementary.
