REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Teachers collaborated weekly to design engaging work for their students during the 2007-2008 school year. Work products created by students were presented to parents and visitors throughout the school year. During the year students created Photostories, Power Point presentations about researched topics, participated in literary lunch bunches, and cocoa cafes with book talks. Students engaged in such activities as Lunch-Out, Walk With the Eagles, Field Day, and Career Day. This was the first time fourth graders were part of the student body at Crowders Creek Middle School and they contributed greatly to the overall success of the school. The fourth graders adjusted well to middle school life and enjoyed being a part of the activities at CCMS.

The student council conducted many service learning projects to benefit the local community. Teachers worked to learn more about and utilize the new Promethean Boards provided for each classroom. This new technology was invigorating for teachers and exciting for students. Many new opportunities were provided for students by the purchase of new computer software. Students were involved in such activities as Lego Club, Fight To Be Fit Club, Geocaching Club, student council, and DARE. Character education awards were given monthly. The active PTA supported the purchase of educational resources for the school along with sponsoring the school dance. Parent volunteers helped in every classroom, made the award-winning Lego Club possible and conducted the school carnival. Together parents, children, teachers and administrators worked diligently to make Crowders Creek Middle School a community of learners and concerned contributing citizens.
