REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Griggs Road Elementary School continues to achieve at high levels by providing quality education for all children. Our students, teachers, and parents are dedicated to this goal. For the fifth consecutive year, Griggs Road received the Closing the Achievement Gap Award from the South Carolina Education Oversight Committee.

The Griggs Road faculty members are committed to providing quality instruction for all students. As part of this commitment, teachers participated in a book study on Richard DeFour's book, *Whatever It Takes*. Through ideas and discussions from the book study and visits to other schools, a system of interventions was developed to improve instruction and meet the needs of each student.

Students also have opportunities to excel in extracurricular areas. This year every student submitted art work to Artsonia, an on-line children's art website. Students produced our first school-wide television program, GRE-TV. The newspaper club published three editions of our student newspaper, *Shout Out to Griggs*.

Historically, Griggs Road has had a high level of parent involvement. We had active volunteers in our building on a daily basis. Our School Improvement Council and PTO contribute their time and talents to many projects/activities at our school. Parents worked diligently to raise funds for school equipment, supplemental instructional materials, performers for school assemblies, and incentives for students. The Field Day Committee worked closely with teachers to provide parent volunteers, first aid assistance, and refreshments for the students. Parents planned family night meals and refreshments for school events.

Griggs Road encouraged students to be good citizens by emphasizing co-curricular activities such as service learning and character education. Throughout the year the administration, faculty/staff, and parents instilled character education traits and a sense of responsibility in our students. Character education words were introduced during school wide assemblies. Classroom teachers and the guidance counselor provided additional instruction and follow-up activities to support our character education program. The student council sponsored monthly school-wide service learning projects. Students collected peanut butter and jelly for the Souper Bowl of Caring, sold candy for Relay for Life, participated in the United Way Easter Baskets for the Elderly, and collected food for the local assistance center.

As we strive for continued academic excellence, Griggs Road remains committed to providing quality educational opportunities for our students in a safe, healthy environment. We look forward to another outstanding year.
