Report of Principal and School Improvement Council

The faculty, staff, and students of Wren High School had a successful 2007-2008 school year. Wren High School continues to focus on academic excellence through recognition as a Flagship School of Promise, a National Service Learning Leader School, a Carolina First Palmetto Finest Finalist, and an SREB High School That Works Pace Setter Site.

In May 2008, Wren High School graduated 330 seniors and recognized ninety-one Honor Graduates. Eight students received the prestigious Certificate of Mastery. One hundred forty-six graduating seniors qualified for the LIFE scholarship. Nine graduating seniors received the Academic Achievement Honors Award from the state of South Carolina. The National Merit Scholarship Corporation recognized one senior as a finalist and two seniors as semi-finalists; eighteen received Palmetto Fellowships. In addition, the senior class accumulated over five million dollars in scholarships and over 90% plan to attend postsecondary education.

Wren High School has a dedicated teaching staff that provides a rigorous course of study for students. Effective teaching strategies coupled with extensive tutoring were offered to enhance the academic success of all students. In addition, classes were offered to enhance test-taking skills and to prepare students for the High School Assessment Program given to sophomores and the End-of-Course Tests. An increase in overall test scores has been an indicator of the success of these strategies. The PSAT and PLAN were given to sophomores and juniors enabling them to identify their areas of strength and weakness.

The Freshman Academy was implemented during the 2002-2003 school year to improve the academic achievement of students and to provide a successful transition from middle school to high school. The academy was successful, as 92.4% of the 2007-2008 freshmen class passed to the tenth grade. The smaller learning environment enabled students to know their teachers and encouraged them to become more involved in the school.

The School Improvement Council evaluated the goals listed in the School Improvement Plan and determined that Wren is making progress in all areas. The improvement goals include the following: curriculum realigned to incorporate career majors; planning time and delivery of integrated high level instruction organized between academic and career/technical teachers; advisor/advisee system upgraded and enhanced to assist with each student's Individual Graduation Plan; program of study upgraded for core subjects; credit recovery system utilized to provide extra assistance for students, and instructional strategies that actively engage all students.
