Report of Principal and School Improvement Council

Saluda High School is an educational institution dedicated to providing students with the best possible opportunity to gain an excellent education. We believe in holding all students and staff to high standards and fostering an environment in which everyone can be successful. The 2007 – 2008 school year has been another great year for the students, faculty, and staff of Saluda High School.

Academically, we continue our trend of overall improvement. The percentage of our students who met the standards on both parts of HSAP rose from 75.4 % in 2005 – 2006 to 80.7 % in 2006 – 2007. We are anxiously awaiting our scores for the current year. We attribute our academic success to our continuing programs of staff development, the continued implementation of Academy Time at the high school level, and the hard work of our students, faculty, and support staff.

In addition to the achievements of our underclassmen, our senior class as a group was awarded over \$1,300,000 in scholarships. This was an outstanding accomplishment for a class of only 103 seniors. One of our seniors was awarded a National Beta Club Scholarship and another student received a South Carolina Teaching Fellows Scholarship. Three students received the President's Award for Educational Excellence and another received the President's Award for Educational Achievement.

Once again, our athletic teams, clubs and organizations excelled on the regional and state levels. In fall sports, our girl's tennis, volleyball, boy's basketball, and girl's basketball teams all advanced to the state playoffs. In the spring, our softball team finished second in the Region and advanced to the state playoffs. Our golf team had an excellent season, with one player competing in the state match. Twenty-eight of our track athletes competed in the upper state meet and five competed in the state meet. We had two athletes sign to participate in athletics at the collegiate level.

A team from our Health Occupations Students of America organization once again qualified to compete in the national competition. One of our art student's paintings were selected by Congressman Gresham Barrett to be displayed over the summer in a congressional art show in Washington DC.

This past year has been a very exciting year to be a part of the Saluda High School family. We pledge to build on the success we had this year and continue to improve in the months and years to come.
