## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As a new charter school in Charleston County, Sea Islands YouthBuild met numerous challenges. An aggressive, professional recruiting campaign and professional development opportunities are setting the tone for the year to come. The school has renewed its commitment to data-driven decision-making. In addition, every effort is being made to ensure that incoming students and their parents are fully aware of the comprehensive nature of our education and training program and the level of commitment necessary for successful completion.
