REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lake City High School (LCHS) saw many changes during the 2007-2008 school year. There was a change in leadership, several changes in teacher and staff positions, and the addition of the Teacher Advancement Program (TAP).

We experienced many successes this year, including receiving the Palmetto Gold Award from the State Department of Education, improving our MAP scores and improving our HSAP passage rate for HSAP repeaters. We provided an after school program, a homework center and an extended school year program. This year, we emphasized literacy by implementing Silent Sustained Reading school-wide, and our students exceeded our expectations with the Reading Counts program.

Our Work-Based-Learning Program continued to place our students in internships their senior year in several areas including culinary arts, health science, accounting, automotive technology, and building construction. Our career center students excelled in a variety of Skills USA competitions and six of our students will be competing at the National Level. Our students continued to shine in the areas of chorus, band and athletics this year. Our students gave back in a variety of areas such as blood drives, the March of Dimes drive, Relay for Life, mentoring programs, the Adopt-a-Highway program, and Lake City Clean Sweep.

On May 30, 2008, 162 seniors graduated from LCHS. These graduates received \$1,507,800 in scholarships including \$491,800 for various awards, \$960,000 in Life scholarships, and \$56,000 in Hope scholarships. Forty-eight students qualified for the Life scholarship, and twenty students qualified for the Hope scholarship. Eight seniors attained a score higher than 1100 on the SAT or higher than 24 on the ACT and four students received Palmetto Fellow Scholarships.

We continue the process of self-evaluation and constantly seek to improve all aspects of our school. Our students are encouraged to take responsibility for helping to make improvements at LCHS.
