REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This report has been prepared for you and the members of the community who are interested in St. James High School. The report reviews progress made on our strategic plan for increasing levels of student achievement and the goals accomplished during the 2007-2008 school year. The graduation rate remains lower than our goal, and we will continue to work on that in the 2008-2009 school year.

Our teachers have made themselves available to students more than ever by offering tutoring before and after school. Our students have been extremely involved in extracurricular activities and athletics. The choral and band departments have had many accomplishments. Please continue to regularly check the school website for updates at www3.hcs.k12.sc.us/high/sjh.

The School Improvement Council meets the 2nd Tuesday of every month at 5:00 p.m. in the media center. Meetings are open to the public. We welcome new members to the School Improvement Council. Anyone interested in serving in 2008-2009 can call the school. Our partnership with the School Improvement Council has been very successful. We look forward to working with them and all organizations to help improve the quality of our educational system.

Thank you to the parents, community, and teachers who contributed to the success of our students. If you have any questions about the information in this report or want a copy of the school's strategic plan, please call 843-650-5600.
