REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The students, faculty, and staff of Chapman High School continue to reap great successes of hard work. We are enjoying our "new, state-of-the-art facility" and continue to further refine our school and its accomplishments with excitement and pride.

During the 2007-2008 school year, the faculty and administration continued to focus on literacy with the implementation of a program that focused on the use of reading and writing strategies across the curriculum. Teachers also focused on the implementation of our thinking maps which assist students with connections across the curriculum. Students participated diligently in the literacy program by reading more books than ever before. A celebration for our students' success will be held at the start of our next school year.

The Guidance Department continued its focus on academic advisement by meeting individually with every student and also hosting informational parent and student meetings for each grade level. Counselors encouraged and guided students in the development of Individual Graduation Plans to assist students with researching, planning, and organizing future college and career opportunities.

There also was a continued focus on the improvement of SAT, ACT, HSAP, Advanced Placement, and EOC scores. Through a concentrated effort to raise awareness and expectations for all areas of assessment, students and teachers worked hard in preparation for these tests. All tenth grade students took the PSAT and PLAN to help prepare them for future assessments.

The implementation of APEX Learning at CHS helped students in the areas of credit recovery, Advanced Placement courses, and remediation for HSAP. This program not only allowed students to "catch up," but it also allowed them to move ahead by providing more opportunities as well as a different way to find success.

The faculty, staff, administration, and students participated in many community service projects and raised over \$75,000 for various charities. The Class of 2007 earned over \$3,000,000 in scholarships to help further their education. The CHS Student Council sponsored a blood drive in which the units of blood gathered increased for the seventh consecutive year. The students, faculty and staff raised over \$10,000 for Project Christmas Child in which children under the care of the Department of Social Services received their very own "Christmas dreams."

The Fine Arts Program continued its trend upward with increases in participation and success. The Athletic Programs also excelled. Most notable is the fact that approximately 60% of our student body participated in extracurricular activities. The JROTC continued its participation in flag retirement ceremonies, veterans' funerals, and many other community service oriented projects.

The 2007-2008 school year was unique in many ways. Our strong tradition of excellence remains intact. Moving forward in pursuit of even higher expectations is a top
