Report of Principal and School Improvement Council

Excellence is the word that comes to mind when describing the atmosphere at Springfield Middle School. All our stakeholders worked very hard to ensure another successful year filled with excellence for our school and students. During the school year, we achieved several key goals. We had a successful Making Middle Grades Work (MMGW) site visit and were affirmed as a MMGW school. We finalized our plan and began the implementation for year one of a three year plan.

Springfield Middle was recognized by the South Carolina Education Oversight Committee for closing the achievement gap for historically underachieving students. We were awarded the Palmetto Silver Award based on PACT scores and were selected to be a SMART showcase school based on the usage of SMART products.

The major school-wide initiatives implemented were Redo Café, Nine Weeks Tests, an Ambassador Program, a mentoring program for at risk students, and the increased use of available data to improve instructional strategies and learning in the classroom.

We had many honors, awards, and major events during the 2007-2008 school year. Our staff includes the Middle School State Law Related Educator of the Year, a Foundation for Fort Mill Schools Grant winner, and 18 National Board Certified Teachers. Several important groups and activities were continued and some were started. These groups include our recycling program, PTA, Athletic Booster Club, Student Council, Beta Club, Academic Teams, Warm Up America, Book Club, and Photography Club. Our students were involved in many school related activities such as athletics, band, chorus, dance, and drama. Student awards and recognitions included numerous individual awards as well as 44 eighth graders designated as Junior Scholars, 17 Duke TIP winners, five All-State band performers, 33 Region band performers, and state and regional Science Fair winners. We added three additional sports and our Boys soccer team was undefeated conference champions. Many of our programs and activities are supported by our great parent groups, especially the PTA and Athletic Booster Club. These organizations provide us with such activities as Artist in Residence, book fairs, parent book club, market day, sports awards program, and parent education programs.

We have several challenges that we are looking at as opportunities. Our biggest challenge continues to be growth complicated by new legislation that impacted the funding of schools. We grew by over 30 students during the school year and expect to have over 800 students when the 2008-09 school year begins. We will strive to use our space efficiently and keep our class sizes at the appropriate level as we move to a 900 student middle school. We will continue to use the MAP data to acquire diagnostic information which will help students improve.

This year was packed with successes and challenges. We will strive to maintain excellence and improve upon our success while meeting the needs of all stakeholders.

David Vawter, School Improvement Council Chair
