REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The objective of Georgetown Middle School is for all students to have a positive experience, and to become excited about learning. PACT and MAP results are utilized to assist teachers in planning teaching strategies for quality and appropriate instruction. Each teacher in our school incorporates at least two nonfiction writing assignments into his or her lesson plans weekly, giving students a minimum of 10 writing assignments each week. Our teachers also plan and assess together by grade level and subject area. All of our language arts and math teachers incorporate Success Maker into their lesson plans.

The GMS faculty offers incentives for students to encourage them to focus on their academics. We have a MAP Wall of Fame displayed on a hallway that includes the names of students who show gains in MAP testing. We also recognize the top MAP scorers in each grade level. We have a data wall displayed outside our cafeteria that measures the percentage of proficient writing from each grade level. This is determined from monthly constructed writing responses that are scored by all faculty members. Another academic incentive is our PACT Proud IDs. These IDs get them into our athletic events free of cost and they allow them to participate in other special events that we have for this group throughout the school year. Athletics and extracurricular activities also play an important role in our students' lives. Students have the opportunity to participate in a variety of sports.

This past year, our students were able for the first time to participate in the following clubs: Board Games Club, Entrepreneur Club, Health and Wellness Club, Pen Pals Club, South Carolina Game Management Club, Spanish Club, Student Council, Art Club, Black History Club, Drama Club, Green Thumb Club, Newsletter Club, Book Club, Cheer and Pep Club, Dance Team, Writing to Publish Club, and Yearbook Club. Our emphasis next year will be to continue to focus on nonfiction writing in all academic areas, the utilization of PACT and MAP data, and the further implementation of Character Education, as we continue in our mission to provide our students with opportunities to be successful and responsible in an ever-changing society.
