REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Bryson Middle School, our purpose is to prepare students academically, ethically, and socially for their future. Our mission is to educate and nurture every student. Our vision for Bryson Middle is to be a community of learners that inspires and supports academic excellence and social responsibility.

The 2007-2008 school year was very positive. Many of our students have gained recognition this year at different competitions. We have 23 students who participated in All County Chorus and Spring Sing, and 4 students who were members of the All State Chorus. Our Strings Group earned an Excellent rating at the South Carolina Music Educators Association Concert Festival. Bryson Middle Students had 2 Honorable Mentions in the State Reflections Contest. Our school also had 34 Junior Scholars this year. We received a Project Lead the Way Grant that will help fund our Gateway To Technology Class next year. We also received a \$5000 Arts Grant that will allow us to incorporate more technology into our music program. Our Boys Basketball Team and Girls Softball Team both won District championships, and our Physical Education Classes raised over \$5000 for the American Heart Association.

We implemented the Academy of Reading Program for the first time this year. We were able to serve about 200 students through this program and will continue to utilize the program next year. We hope to be able to offer a similar component for Math enrichment and remediation and are currently working through our budget to provide the means to offer this to our students.

We feel we have great students, parents, and teachers, as well as solid community support. We will continue to focus our efforts on helping each student reach his or her potential.
