REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Dent Middle School, in partnership with its students, families, and community, provides each student a comprehensive, quality education in a supportive environment by offering relevant, challenging learning experiences that prepare students to become responsible individuals and citizens (DMS Mission Statement – Revised Spring 2008).

The 2007–2008 school year was another wonderful year for Dent Middle School. Our major construction project concluded and resulted in a brand new, state of the art facility. Moving into our new facility ended two years of construction and successfully consolidated our campus. Our community joined us in the dedication of our new facility that not only recapped the rich history of Dent Middle School but showcased our superb student talent as we reminisced the years through music and dance.

Our students had a very successful year at Dent. We boasted an all time high of 109 eighth graders being recognized as Junior Scholars. As in past years, Dent students performed exceptionally well at the Regional Science Fair and led all middle schools with first place awards. The TWO Academies, our single gender magnet program, was recognized by the State Department of Education for its implementation of effective single gender initiatives. Dent's Symphonic Band received Superior ratings at both the South Carolina Band Directors' Association and Carowinds Festivals. Several Dent band members were chosen for All Region and All State Bands, and four students received Superior ratings at the Solo and Ensemble Festival. The Dent Middle School Orchestra received a Superior rating at their Concert Festival as well. Dent's student-designed literary magazine, Shine!, won multiple state awards for their publication that consisted primarily of student writings and art. Our steel drum band continues to impress audiences across the state with their smooth, Caribbean beats, quickly becoming one of our more popular performing groups.

For over eighty years, Dent Middle School has been a catalyst for fostering dedication and hard work for our teachers and students. We will continue to demonstrate a committed effort toward communicating our school's vision and values, improving student achievement, and exhibiting pride in accomplishing our goals. The 2008–2009 school year promises to be one of continued growth and success.
