REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

One of the primary goals of Alice Drive Middle (ADM) is to produce well rounded students who succeed both inside and outside of the classroom. The school offers students advanced courses in all core classes including English I and Algebra I for high school credit. This past school year, our students achieved goals in all areas of student life, academics, athletics, service learning, and other extra-curricular activities and organizations. Throughout the year, the students at ADM continued to proudly represent themselves and the school.

Academically the students in every grade made gains in each content area of MAP testing. These gains were made possible through the hard work of students and teachers. All staff members participated in school and district professional development sessions that focused on improving content area instruction. In addition, many staff members attended professional development opportunities outside of those offered through our district.

Outside the classroom, our students continued to perform at an exemplary level. The school had two Duke Tip Award winners, thirty six USC Junior Scholars, a Governor's Citizenship Award winner and nine Junior Scholars recognized for outstanding performance on the PSAT. Alice Drive students in English I and Algebra I had a 100% End of Course passing rate. Two students from our band were selected to participate with the all region band. The band received an excellent rating at the Concert Festival. At Solo and Ensemble competition, twelve students received Superior and seven students received Excellent ratings. The football team and the girls' track team finished the season as the second place team for the Mid-10 North Division Conference.

Alice Drive students raised over \$5,400.00 in the Hoops for Heart program sponsored by the American Heart Association. Over 300 service hours were contributed to local churches, hospitals, the elderly, Crisis Center, and Habitat for Humanity. Shoe Boxes and Easter Baskets were made and donated. The school served the special needs elementary students of District 17 by sponsoring our Fall Festival.

Ms. Gwen Randolph-Sanders received statewide recognition for twenty-five years as student council advisor.
