Report of Principal and School Improvement Council

Myrtle Beach Elementary continued to meet the academic, social, emotional, and physical needs of our students on a daily basis during 2008-09. We will continue to focus on ensuring learning for all students. We received a Palmetto Silver Award for "Closing the Achievement Gap" for the fifth year in a row. This honor also shows the efforts of the school to monitor the progress of all students. Throughout the year, we assessed student progress and made appropriate changes in instruction in order to meet the needs of each individual student. We administer MAP testing which enables us to monitor student's achievement throughout the year. Analyzing these immediate results allows us to make instructional changes to benefit each individual student as soon as possible. We attribute much of our success for "Closing the Achievement Gap" and making "Adequate Yearly Progress" to the ability to make solid academic changes for each student during the year. Our staff is composed of very highly qualified individuals who work hard to provide rigorous daily instruction based on our state standards. The same individuals assist in providing opportunities for instruction beyond the regular school day. We provided a Comprehensive Remediation After School Program serving over 115 students, and numerous teachers provided individual student tutoring after school. In addition, our school provides day tutorial assistance by certified teachers for at risk readers to give them immediate strategic interventions. We have wonderful volunteer and mentoring programs that assist in providing instructional services for many students, both academically and socially. Our students participated in several charity causes this year such as Jump Rope for Heart, Myrtle Beach Family Marathon, Helping Hand, Ronald McDonald House Soda Tabs program, and Recycle America. Our PTO continues to be an integral part of our success by providing resources to enhance instruction throughout the year, such as SC Newsweekly, student incentives, and technology accessories (SMART Boards and INTERWRITE pads). Our PTO assisted in field days, spring musical, spring fling, staff appreciation, yearbook, and much more. Renea Fowler, Principal, 2008-09; Jennifer Bodge, School Improvement Council President
