Report of Principal and School Improvement Council

Wateree Elementary stakeholders have made every effort to foster a safe and nurturing school climate that encourages excellence for every child. We expect continuous student improvement as we focus on specific instructional goals. Our motto is “Children First ... A Cardinal Investment.” Our School Renewal Plan’s goals emphasize student achievement, good character, and increased parent/community involvement. A dedicated, talented, highly qualified instructional staff is vital to our school’s progress. We have nine teachers with National Board Certification, and over \$8600 in teacher grants were funded. The implementation of instructional initiatives enhanced teaching and learning. MAP results were fundamental in guiding differentiated instruction and in identifying instructional focus groups in grades 2-5. Teachers in grades K-2 used DIBELS results. Each grade level determined their ELA or math academic need and planned hands-on enrichment and remediation instruction. During our focus group block, all of our staff taught specified skills to a small group of students. Five weeks before PASS testing, we offered an “early risers” computer-based program to our 3-5 grade students who were basic or below in Math/ELA on the most recent MAP. Our curriculum coach continues to serve our students and teachers with resources, programs, and endless support. This year we have also been able to capture the world of technology. Every certified teacher received a SMART Board, projector, and laptop! Our school also received 11 laptop carts (160 laptops) that commute for classroom use. Educational opportunities outside the traditional classroom include standards-based field studies, Math-Science Nights, Kindergarten Parent Workshop, Discipline/ Parenting Workshop, Book-It, Accelerated Reading goal celebrations, Awards Days, service learning projects, school talent show, and district chorus experiences. Our PTO, SIC, family volunteers, and community business friends impart endless support. The PTO fundraising efforts purchase d a new secure main entrance to our school. The PTO also funded necessary materials for our PBIS goals. They have also purchased classroom libraries and other instructional materials such as Accelerated Math scanners and printers. Student success is promoted by our SIC. SIC members define areas of concern and come up with solutions to make our school a better place! Ms. Gail Wages will be our new principal for 2009-10. Our school anticipates “Catching the Wateree Wave” as we jump on the board and sail to new heights. Wateree is proud to have a dedicated team of stakeholders who all work together to educate and sustain quality educational experiences for every child. Kristin Barrett, SIC Chair; Lindsay Christofaro, Interim Principal
