Report of Principal and School Improvement Council

The mission of WEMS is to develop life-long learners by fostering a safe, nurturing environment, which encourages individuals to think critically, solve problems, make decisions, acquire technology skills and acknowledge cultural diversity by working cooperatively and productively.

Our staff continued to grow professionally throughout the school year with the second year of the Teacher Advancement Program (TAP). Teachers were actively involved in meaningful staff development.

This past year we had one Junior Scholar, a student who was recognized by the Governor for Outstanding Citizenship, and eight students who received The Presidential Academic Education Award. Our Beta Club was instrumental in raising money for Relay for Life, Hoops for Heart, Jumprope for Heart, Pennies for Patients, and several other local charity activities.

The Positive Behavioral Intervention System was implemented in our school this year. Through the implementation we saw our discipline referrals drop over fifty percent.

We recognized more than a total of 200 different students as Honor Roll students. "Terrific Kids" were recognized each nine-week period.

This school year WEMS also piloted a single gender class in grade seven. Through this process our 7th grade showed a 35% increase in English Language Arts and 29% increase in Math according to the Measure of Academic Progress (MAP) reports.

Our faculty and students are to be commended for their hard work during the 2008-09 school year. We are proud of our accomplishments at WEMS and look forward to an even more exciting and rewarding 2009-10 school year.
