Report of Principal and School Improvement Council

Cherryvale Elementary School is committed to improving student achievement by holding high expectations for all students. Our curriculum continues to be standards-driven, with the staff receiving continuous opportunities for staff development training in Best Practices. This year, we focused on increasing our math skills, strengthening our literacy program, and implementing a Response to Intervention program. Teachers were provided the opportunity to participate in a literacy study group and various math workshops. Teachers also received training that involved utilization of Project Read, Calendar Math, and Teaching American History.

Many of our students take advantage of our afterschool program and morning study groups. During this time, teachers provide enrichment activities to reinforce and challenge student learning. Content is based on the needs of the students. Benchmark tests, MAP scores, and PACT results aid us in determining the individual and/or class areas of weakness.

Parents have been actively involved in school activities such as Family Reading Night, Write Night, Science Night, and Winter Wonderland Festival. Parents are also offered training and materials for working with their child through our Parent Resource Center. Topics covered include reading, math, science, and social studies. The media center is available for parents to search websites and print materials that can be used if no computer is available in the home.

To ensure that we continue to provide the best for our students, our site-based planning team reviews our school plan each year and makes recommendations for modifications. The plan is shared with our Title I committee, School Improvement Council, parents, and community members to receive suggestions from them as well.

Our students come to school at many different academic levels and have various social and emotional needs. We are proud to have a staff that works so diligently to address the needs of each individual student. We are looking forward to another year of "Learning with Love and Laughter."
