## Report of Principal and School Improvement Council

We are progressing rapidly toward achieving our objectives, goals, and mission as set forth in our Site-Based Plans for Rafting Creek Elementary School. Tremendous growth has been made in student achievement in both English/language arts and math and meeting Adequate Yearly Progress (AYP) for six consecutive years. We are proud of our students, parents, and teachers for what we have accomplished and we are committed to continued excellence in all aspects of our program.

Our instructional strategies and activities, school-wide benchmarks, Measures of Academic Progress (MAP), professional development, parent and community partnerships, and a safe, orderly climate are all an integral part of our initiative to increase student proficiency in all academic areas. Therefore, as we continually strive to meet the challenges set before us, we take this opportunity to thank our parents for the support shown through parent conferences, visits, etc., and ask for your continued support as we prepare our students to meet the challenges of a global society.
