REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Each year at Spann Elementary is a new beginning and a new opportunity for change and growth! No matter the focus, we have learned together that it takes the alignment of clear vision, clear goals, trusting relationships, courageous conversations, and action to get the results that we desire for all of our children. We have worked diligently to create a "culture of mutual respect" between students, parents, staff, and administrators and cultivated a "habitat for learning" that fosters student achievement.

The entire school family shares responsibility for student learning at Spann. We begin each day by clearly communicating our school mission and vision via the morning message: "We have High expectations. We Aspire for greater knowledge. We are Proud of what we know and can do. We are Prepared to be productive. We Yearn to give our best, and we are getting better, too!" The Administrative and Instructional Management Team (AIM Team) sets the standard by establishing these daily outcomes in alignment with the Dorchester School District Two vision for "leading the way...every child...every day." Office staff and non-classroom-based teachers are strategically assigned to areas around the building to ensure safety and to greet children and parents as they arrive. Teachers are prepared to engage children immediately as they enter their rooms. Classes begin with a review of the outcomes and essential questions for each lesson. Our instructional leaders frequently monitor grade level, classroom, and individual objectives. Parents and Community Partners volunteer countless hours to support our total school program. Building services and cafeteria staff all join us in communicating expectations for learning and behavior through the school-wide Positive Behavioral Interventions and Supports (PBIS). Our PBIS motto, Proud to the C.O.R.E (Caring, Orderly, Responsible, and Expect the best) encourages our children to demonstrate strong character traits and skills for success. The rave this year has been to earn Mrs. Marcoff's Restaurant Style Luncheon by reaching the class goal for C.O.R.E. credits. The energy at Spann is contagious!

The true measure of our success is reflected in our commitment to students' learning. We are celebrating the renewal of our Red Carpet School status through the year 2011. Our "Surpassing Yourself" goals for academics and character growth are celebrated at quarterly Expectations Town Meetings. We communicate our pride, highlight small successes, and share relevant information throughout the year via in-school and home-to-school newsletters and WebPages (<http://spann.ddtwo.org>).

This year, we have responded to our district's "Call to Action" by developing a "Good to Great" action plan. We will meet the charge with goals to "raise the bar," "close the gaps," and "grade for learning." Our greatest challenge is to realize these goals by differentiating instruction to meet the needs of the accelerated, the average, and the at-risk child. We will meet these challenges head-on with renewed commitment as a Professional Learning Community (PLC) and Professional Development School (PDS), while engaging in action research of best practices to stretch ourselves, involve our parents, and educate our children beyond belief.
