## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The theme for the 2008-2009 school year at Lakeview Elementary School was "Under Construction: Building the Future, One Child At A Time." We used "Responsibility Training" in our classrooms to help students become responsible for their own learning and behavior. Teachers continued training in balanced literacy to provide a research-based reading program that focused on student reading levels and needs and taught students effective reading strategies. We continued to work on ways to "close the achievement gap" by looking at the needs of our students and giving students learning activities designed to help them achieve their best.

Our student council and service clubs raised money for community service organizations. We partnered with the Lakeview PTO and "Wellness Works for Kids" to teach effective character traits and skills.

Mrs. Tiffany Piontek was named "Teacher of the Year." Mrs. Kelly McCalla received a grant from the Milken Foundation and formed "Lakeview Literacy Kids." Students performed the play "Jack, the Dog Who Wanted to Read" for other schools and in Lakeview neighborhoods. They also set up booths with activities for parents to promote literacy and gave books to children to take home.

We had many curriculum offerings, including Reading Recovery, GATAS, a computer lab, Art, Music, PE, a "push-in" reading teacher, and Special Education Services.

Our PTO supported many family activities, including a fall carnival and Lakeview "Nights Out." Our School Improvement Council worked to get parents and students involved by hosting a community literacy event in partnership with the Lakeview Literacy Kids.

We continue to "Reach for the Stars" at Lakeview Elementary School.

Mrs. Virginia Metts, Principal  
Mr. Mark Abell, Chairperson – Lakeview School Improvement Council
