REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Myrtle Beach Elementary is a wonderful community school rich with parental involvement and community support. Last year, we were recognized by the S.C. Education Oversight Committee for "Closing the Achievement Gap" among student subgroups for the sixth straight year. School-wide instructional initiatives included professional development for mathematics instruction, small group intensive reading intervention for at-risk students, literacy workstations, the Imagine It! Phonics Program, and use of Measures of Academic Progress (MAP) data to differentiate instruction. MAP provides teachers with diagnostic information for each student in the areas of reading, language, and mathematics. Civic, personal, and social responsibilities were taught through classroom guidance lessons, service learning projects, Life Skill Leaders Program, and the Say No to Bullying Program. Our Kiwanis Kids Club led a "Peanut Butter and Jelly Campaign" which collected perishables for Helping Hand. Our students participated in a "Change for Charities Campaign" for the American Cancer Society and the March of Dimes. Students participated in the American Heart Association's Jump Rope for Heart. Students also collected soft-drink tabs to support Ronald McDonald House. The success of any school requires the support of an active PTO, faithful volunteers, generous business partners, and involved parents. The PTO sponsored many programs including a holiday bazaar, sweetheart dance, and spring fling. The PTO raised more than \$24,000 for our yearbook, spirit t-shirt, and academic planners. Funds were also used to support a motivational assembly for students and to provide appreciations for teachers. The PTO recognized a "Staff Member of the Week" and provided appreciation breakfasts and luncheons throughout the year. We were fortunate to have over 30 local business partners who provided incentives for students and staff members. Over 150 volunteers and 40 mentors devoted time with our students. These individuals served as mentors and tutors, read with students, worked in the school office and media center, chaperoned study trips, assisted teachers, and worked during field day events and school activities.
