REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

A student-centered school serving 817 students from K4 through grade five, the Doby's Mill Elementary School family is committed to promoting maximum student learning in a safe, caring environment. Along with the constant support from our PTA and SIC in our planning and improvement process, our school has a compassionate staff dedicated to helping all students succeed. Sustained, high student achievement remains a trademark of our school. We are a 2002-2003 and 2006-2007 Red Carpet School, a 2007 Carolina First Palmetto's Finest Award winning school, and a 2008 Blue Ribbon Lighthouse School of Excellence. Angela McCall was our Reading Teacher of the Year as well as our Teacher of the Year! Our Robotic Team earned the State Champions Award and competed at the World Festival in Atlanta. We stress academic achievement through the use of state standards and on-going instructional efforts. We credit the successes of our students and staff to our commitment to utilizing data to make informed decisions, setting goals, partnering with parents, and engaging in professional development in an effort to design motivating and rigorous instructional programs to improve each one academically, emotionally, physically, and socially. In an effort to practice good citizenship, compassion, and character, our students raised over \$14,000 for charitable causes this year. During the 2008-2009 school year, we are proud of the implementation of district literacy model, an Exemplary Writing visit, all classrooms being outfitted with LCD projectors, interactive whiteboards, and laptops in order to integrate technology into the curriculum, flexible grouping classes at grades K-2 utilizing MAP data, breakfast in the classroom for all students, before and after school activities, and a Strings for All program. Committed to our children, we design our school day and school year to benefit them. Our children are our greatest resource, and we realize our duty to serve them and make a positive difference in their lives. The future challenges us to maintain our high academic standards yet still meet the demands of serving a diverse student population. We seek to create a culture of excellence in teaching and learning while striving to embody our vision. Now more than ever before, we are harnessing the talents of our volunteers and bringing together the efforts of our SIC, PTA, and business partners to provide our students with the best education possible! We invite you to visit our school family and to participate in all of the exciting activities that we have to share with you. Thank you for your continued belief in and support of both our school and of public education. Without you, the community, we would not have been able to accomplish the achievements that we have nor set our sights on an incredible future! Please stop by and experience what makes Doby's Mill Elementary so special, or visit us on our website at <http://dme.kcsd.schools.com>. Virginia K. Catoe, Principal; Vinson Rivers, SIC President
