REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Forest Acres boasts a newly renovated facility that provides students with optimal learning experiences through the integration of technology, literature, science, math, movement, and the arts. In addition to a challenging curriculum, Forest Acres teachers strive to make real-life connections for students and develop high interest lessons that reflect state standards. Our PTA sponsors weeklong artists in residency to enhance our school's arts program. Outdoor learning environments offer students the opportunity to interact with their environment. A water garden provides students with space to study weather, plant life, and seasons. A nature trail allows students the opportunity to have science classes outdoors. Students are also involved in extracurricular activities, such as Student Council, Safety Patrols, Panther Postal Service, and Boy Scouts. Student Council sponsors service learning programs that benefit our community, such as the Angel Tree, Cans for Kids, and Souper Bowl Sunday collections. At Forest Acres, we make every effort to teach the whole child.

Forest Acres places a strong emphasis on Character Education with an emphasis on assisting students in developing an ability to recognize positive character traits in themselves and others. Each month, a different character trait is emphasized. The guidance counselor, administrators, and teachers all find ways of incorporating that trait into lessons and other activities. The faculty, in conjunction with the School Improvement Council, developed goals that build upon the District and School Renewal Plans. Each year, we strive to increase student achievement in all areas of PASS. One focus at Forest Acres has been to improve communication between home, school, and community. In addition to weekly class newsletters, our school has made tremendous efforts in developing a web presence, with teacher web pages that feature podcasts, blogs, and Photo Story. Each month, the school and PTA publish the award winning Forest Acres Focus that provides both internal and external customers with news and events about school life. Forest Acres has much to celebrate! For the 2008 school year, Forest Acres was recognized by the State Department of Education as a Palmetto Gold Award winner in both categories: Academic Achievement and Closing the Gap. All teachers at Forest Acres are certified, highly qualified, and are committed to student success. Forest Acres provides extended school day activities through our After School Care program. Tutoring for students who experience academic difficulties in the classroom is provided.
