## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Rice Creek Learning Community has enjoyed sixteen wonderful years of teaching and learning. Those years have brought much success and excitement into our classrooms and hallways. Awards have been received at the local, state, and national levels, and we are proud of all that our faculty, staff, and students have accomplished. Rice Creek is a National Blue Ribbon School of Excellence, National Blue Ribbon Special Emphasis Award winner for Technology, Exemplary Writing Award winner and Hall of Fame member, two-time Red Carpet Award winner, and a Flagship School of Promise. We have also been recognized by the South Carolina Education Oversight Committee as a school who is "Closing the Gap" for historically underachieving student groups. These awards and honors are directly related to the hard work and dedication of our students, parents, faculty, staff, and community members. Our goal at Rice Creek is to provide each student with a safe, inviting, and supportive environment that will empower them to achieve success both academically and throughout life.

Our teachers have continued to build their capacity through staff development, seminars, national board certification, and advanced degrees. More teachers than ever attended educational seminars and workshops this year! Through the introduction of Learning Centered Schools and continuous staff development, our teachers are reaching more and more students' needs within our classrooms. Our dedication to differentiated instruction and hands-on activities has our students excited about learning each day.

This year our school has also continued to fulfill our goal of building positive school and community relations by forming new partnerships with families, community members, and local businesses. We have seen a record rate of parent participation and volunteerism, which has allowed us to offer great activities and experiences for our students.

We are also very excited about the addition of our new magnet program, eFIT. The Environmental Fitness Academy will begin during the upcoming school year and will continue our goal of having our students live their educational experiences and not to just read about them. It is a program that will be infused within all of our school programs and will get our students up and moving each day. From hands-on learning activities to physically challenging field studies, our students will experience learning in a way that will get everyone excited about coming to school each day!

We are extremely proud of our accomplishments over the past school year and hope that you will share in our pride. Thank you for your support this year, and I know, that with the continued support of our community and parents, that Rice Creek will continue to grow its culture of excellence.

Christopher L. Seay, Principal
