REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lone Oak Elementary School is a school characterized by family atmosphere and teacher dedication to all students. Recognized as a Red Carpet School from 2005-2008, Lone Oak offers an unmistakable sense of encouragement and pride. The administration and faculty are persistent in creating a safe, enriching environment for each student. Lone Oak embraces being a culturally diverse school, recognizing and respecting the individual uniqueness of its students and community demonstrated by an overarching commitment to excellence inside and outside of the classroom.

Teachers continue to plan instruction with colleagues, eagerly participate in regular professional development, implement dynamic daily lessons, support students through a multitude of teacher-sponsored afterschool activities, and write grants that continually better our school environment and programs. Constant efforts to improve student experiences using innovative research-based instructional practices result in ever-increasing student achievement.

In the 2008-2009 school year, Lone Oak implemented a school-wide monthly emphasis on writing that energized students from kindergarten to fifth grade. By focusing on Six + One Traits of writing with morning announcements, bulletin board displays, and focused lessons, students learned strategies to improve their writing. In addition to professional development in writing instruction and creating standard-aligned assessments, teachers worked in teams during weekly scheduled "Lunch and Learn" science and math trainings. Teachers also committed to "Summer Planning" in which they met with their grade levels to reflect on the previous year, set goals, and develop plans to implement new instructional strategies that address the increasing enrollment of LEP and ESOL students.

With a consistent focus on seeking opportunities for all students to shine, students are honored who demonstrate good character, talent, and dedication in related arts, and academic distinction. Participation in service learning activities such as Relay for Life and Jump Rope for Heart continues to be an integral part of the school program in our effort to promote awareness and the idea of "giving back." Due to the continued support of parents, the community, and local business partnerships, Lone Oak is able to provide a supportive environment that empowers students to become successful. At Lone Oak, faculty, staff, and students show their pride by continually "Striving for Excellence!"
