REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Rosewood is an authorized International Baccalaureate School offering the Primary Years Programme (IBPYP). We are one of one-hundred and fifty-seven authorized IBPYP schools in the US. We have integrated the state standards of all content areas into six themes with thirty-six unit planners beginning in K5 through grade 5. The units are spiral and are not repeated in content or activities. In addition, Rosewood offers the KITE-LL foreign language program providing daily instruction in French for all children in grades 3-5. This is our fifth year offering the KITE-LL program. Character development is a vital component of the student's education as reflected in the "Learner Profile." During the "Exhibition Year" of the fifth grade, students raised over \$2,000 to assist in research of communicable diseases in third world countries.

We pursue many innovative programs such as inquiry-based learning, early intervention of academic and behavioral difficulties, and providing differentiated instruction. Technology is integrated into the curriculum and used to support the daily operations of the school. Twenty-two classrooms support instruction through the Promethean Board. All classrooms have sound systems to enhance the instruction. Students are motivated to read through an Accelerated Reader program. Two literacy teachers provide early intervention for children in grades 1 and 2. An extended learning day provides instruction and supervision of students before and after school through two programs: Challenger and a tutorial program. One ESOL teacher supports the learning of students whose mother tongue is one other than English.

Community interaction is vital to the success of Rosewood students. Our business partners include Chick-fil-A, CiCi's Pizza, McAlister's, Dunkin Donuts, Starbucks, Comporium Telecommunication, Wachovia, and Harris Teeter. Over 6,900 volunteer hours have been contributed to the school this year through our PTO volunteer program.

In addition, our school has received numerous awards and recognitions. Some are the prestigious National Success Story Award from Pearson Digital Learning, the Gold and Silver Award for Academic Excellence from the State Department of Education, and being showcased on the SDE website. Also, we were recognized by the Educational Oversight Committee for closing the achievement gap among students of differing economic, racial, and ethnic groups when performance of the identified group meets or exceeds the 75th percentile of students statewide in either English Language Arts or mathematics, and when the school has met the requirements of Adequate Yearly Progress for all students and for the identified group.

Other honors received include the Red Carpet Award, the School of Promise Award, SC Literacy Spot Award, and finalist for Palmetto's Finest Award Program. The School Improvement Council and the PTO have both received the prestigious Sate Board of Education Volunteer Award.
