REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Riverview Elementary School is a true "neighborhood" school located in the suburban town of Fort Mill, SC. Traditionally, student growth has been limited because of the attendance area it serves. Unlike most of Fort Mill, where the groundbreaking of large housing developments are occurring, the housing areas in Riverview's attendance zone are established. On May 25, 2006, that changed. Since nearby Orchard Park Elementary and Gold Hill Elementary have nearly reached capacity, an enrollment freeze has been put in place. New students to the district who are in OPES or GHES attendance zones will enroll at Riverview instead until the 2009-10 school year begins. We are excited to have those new faces joining the RVES family!

Much of the growth in Fort Mill has been attributed to the lure of quality schools for the business employees and professionals of nearby metropolitan Charlotte, NC. The drive to the city of Charlotte is less than 15 miles. Fort Mill has been deemed by many as a "bedroom community" because of the large number of residences made up of people who work in Charlotte. The close proximity of our district to Charlotte and Rock Hill, SC, has provided our students and staff with opportunities of nearby colleges, museums, science centers, farms, libraries, parks, etc.

Riverview Elementary School has an approximate enrollment of over 900 students. We have classes ranging from Kindergarten through 5th grade and self-contained special needs classrooms. Additionally, Riverview houses the school district's only four-year-old half day Kindergarten program.

Our facility is a one-story structure, which opened in 1974. Renovations in 2000-2001 have given the interior a "new school" appearance. Nineteen new classrooms and a new gym were added to the existing building. Every existing classroom was upgraded with painting, cabinetry, and carpeting. The office area was completely remodeled as well. During the 2007-08 school year, mobile classrooms were added to increase classroom space. Student work, school colors, murals, and our rocket logo adorn the hallways of the school. We have a large gym, extensive media center with an AV studio, art room, music room, courtyard with butterfly garden and outdoor class space, three playgrounds, and two gifted and talented classrooms.
