Report of Principal and School Improvement Council

Allendale-Fairfax High School has continued to improve over the past year. The school had 47 students to receive both college and high school credit this year. We graduated eighty graduates this year. We now teach our Spanish III and IV at USC-Salkehatchie. Our students have received scholarships in the amount of \$1,998,426.00.

Our classrooms now have the latest technology with the incorporation of twenty two promethean boards. We met the state's goal of receiving an all clear and received SACS accreditation. Our School Focus School Renewal Goals which are measured by the State Department of Education met expected progress.

In sports our athletic teams achieved much success. One in four children at Allendale-Fairfax High School participates in our sports programs. Most of our teams made it to the playoffs. Both our girls and boys track teams won the State Championship in Divisions One A.

Our band has increased not only in size but in visibility as well. The band came in third at the Garden City Classics competition and marched fifty in Allendale County Feasible.

We will continue to make improvements but will need the continuing support from the parents and the community to stress relevance and rigor to achieve excellence.
