Report of Principal and School Improvement Council

Dear Parents and Community Partners:

Wando High School's Class of 2009 left a legacy of high achievement in academics, athletics, and student activities. More than 92% of the graduates planned to continue their education at the post-secondary level, and they were awarded more than \$13.8 million in scholarships. Our students excelled in college level work with a 91% AP passage rate and a 97.4% Dual Credit rate of success. Our student newspaper, The Tribal Tribune, was selected as the Best Newspaper in South Carolina for the ninth year in a row. The Wando Marching Band was AAAAA State Champions for the fourth year in a row. The school musical, 42nd Street, earned rave reviews. Wando visual arts and choral students earned District and State recognition for their talents. The Wando Athletic Program was ranked first in the State among AAAA high schools based on the overall success of its nineteen varsity teams.

Although no entrance test is required, Wando consistently proves that a large, public, non-magnet high school serving a diverse population can produce outstanding results. Wando offers over 230 course selections including Advanced Placement, Dual Credit, Honors, College Preparatory, and Applied Technology courses as well as a broad student activity program. We consider high school graduation an important step for our students but not the final goal. Each graduate is expected to leave Wando with a viable plan for his/her future education and career goals. Wando is a member of the national High Schools That Work network. We are committed to continuous school improvement and use research-based best practices as our guide. Raising the academic bar for all students and providing academic support for those who struggle are crucial to our success as a school. Our career-related schools of study, ninth grade academy, and advisor-advisee program provide opportunities for personal connections and help our students see the purpose and relevance of their work here. Students are actively engaged in individualized planning for post-secondary education and career opportunities. Our dedicated faculty and staff have spent many hours participating in professional development. Teachers share instructional best practices and work in curriculum teams ensuring quality instruction and assessment in all courses. Faculty collaboration and teamwork are the norm. Our focus areas have been active student engagement, differentiated instruction, technology implementation, and standards-based instruction and assessment. We are blessed with a high level of parental and community involvement. The outstanding support provided by the Town of Mount Pleasant is a critical factor in our success.
