2008	Average	Good
2007	Below Average	At-Risk
2006	Average	At-Risk
2005	Good	Below Average

* The School's 2009 Growth Rating was raised one level because of substantial improvement in the achievement of students belonging to historically underachieving groups of students. The Growth Rating may or may not have been affected by the performance of these groups in prior years.

DEFINITIONS OF SCHOOL RATING TERMS

- Excellent – School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good – School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average – School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average – School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk – School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE GOAL

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Report of Principal and School Improvement Council

The 2008-09 school year was another successful year at Manning High School. There were 24 honor graduates in the class of 2009, meaning that more than 12% of the graduating seniors earned at least a 3.62 cumulative average during their high school careers. A total of 24 seniors earned Academic Diplomas, which means they earned at least 26 units in challenging college preparatory classes, honors classes, or college credit classes with a cumulative average of at least a "C." Students earning a state High School Diploma are required to have 24 units. Twenty-eight percent of the senior class, a total of 55 students, qualified for either Hope or LIFE Scholarships. Two students in the graduating class of 2009 qualified for Palmetto Fellowships. Students in the class of 2009 earned approximately \$1,806,000 in scholarships to post-secondary institutions.

Manning High School continues to have success with the College Credit Program through Central Carolina Technical College. The college credits earned by our students will transfer to any public or private college in the state of South Carolina and to many colleges outside of this state. A total of 42 students attended college classes this past school year at no cost to the student. Twenty-four students earned at least 12 hours of college credit, which is the equivalent of one semester of college course work. Three students earned at least 24 hours of college credit, and one student earned 30 hours of college credit, which is the equivalent of one year of college course work.

Manning High School continues to utilize the APEX Learning System in our school to assist students. APEX Learning, also known as Credit Recovery, allows students who have failed a course to retake the course via the Internet. We are striving to increase our graduation rate and lower our failure rate by utilizing this program. The program is offered during the school year and during the summer to all of the students in need.

Manning High School continues its commitment to keeping this school on the cutting-edge of technology in the state. The school has four state-of-the-art computer labs, each consisting of at least 25 computers, and all have high-speed internet connections. The school also has a mobile computer lab consisting of 25 laptop computers that are networked. Manning High School has also been upgraded to having wireless Internet access throughout our entire building. Every classroom continues to be equipped with high-speed Internet connections. Over 75% of our classrooms have plasma screen televisions that are utilized during instruction. We have begun to utilize "Smart Boards" and Promethean Boards within our classes and discovered that class participation and student accountability has increased greatly. These technologies are in 50% of our classrooms.

I am pleased with the support the community continues to give Manning High School. We are always open to suggestions, and we encourage anyone who would like to give us input as to how to improve our school to contact us.
