Report of Principal and School Improvement Council

The 2008-2009 school year at Lake City High School (LCHS) was filled with many successes. We celebrated our improved HSAP scores, our School Report Card Rating of Good, and our Palmetto Silver Awards for School Improvement and Closing the Achievement Gap. We also completed our first full year of implementation of the Teacher Advancement Program (TAP).

We continued to offer double-blocked classes for identified Ninth graders to increase their skills in math and English. We also provided an after-school program, a homework center, Saturday School Program, and an extended school year program. We also emphasized literacy by continuing our Silent Sustained Reading school-wide and Reading Counts program.

Our Work-Based-Learning Program continues to place our students in internships their senior year in several areas, including culinary arts, health science, accounting, automotive technology, masonry, and building construction. Our career-center students excelled in a variety of Skills USA competitions and several placed at the regional and state level. Our students continued to shine in areas of chorus, band, athletics and JROTC. We also have several students who participated in our Foreign Language Trip to Costa Rico this spring. LCHS students gave back to the community in a variety of ways, such as blood drives, a canned food drive, the March of Dimes drive, the American Red Cross Drive, and the Adopt-a-Highway program.

On May 29, 2009, 157 seniors graduated from LCHS. These graduates received \$2,408,698 in scholarships, including \$880,000 in Life scholarships and \$109,200 in Hope scholarships. Forty-four students qualified for the Life scholarships, and thirty-nine students qualified for the Hope scholarship. Seven seniors attained a score higher than 1100 on the SAT or higher than 24 on the ACT.

We are proud of the accomplishments of the students and staff at LCHS and we continue the process of constant self-evaluation in order to improve all aspects of our school.

Rutha Frieson, School Improvement Chairperson
