Report of Principal and School Improvement Council

Nation Ford High School successfully completed its second year by sending its first class of 260 graduates into the world. Earning more than \$3.5 million in academic scholarships, the graduates set precedent with two students being named National Merit Finalists. Over 90% of the graduating class plans to continue their education at the post-secondary level.

We congratulate a number of teams and organizations for their successes this year: the Southern Interscholastic Press Association awarded the Voices literary magazine staff the prestigious Scroggins Award; 44 FBLA students advanced to State Competition, with 20 of those qualifying for Nationals; the NFHS band placed 1st in the Upper State Marching Band Championships and 2nd at State; 13 band students qualified for All-State, 3 for Bands of America National Honor Band, and 1 for the US Army All-American Band; the Health Science Program placed second in state, with a 90% pass rate of the National Healthcare Foundation Standards Assessment; in its inaugural year, the NFHS Marine Corps JROTC participated in its first Drill and Rifle Team competition, earning first place trophies in Small Unit Unarmed Drill, Small Unit Armed Drill, and Squad Inspection, and they were selected as the small unit Overall Grand Champions; and NFHS athletes won the State AAAA Boys' Swimming Championship, Region 3 AAAA Girls' Swimming Championship, and Region 3 AAAA Girls' Basketball Championship.

As a High Schools That Work (HSTW) site, we successfully completed our first technical assistance visit in March. The committee has reaffirmed goals and initiatives currently being addressed by teacher focus teams. Priorities include developing common course syllabi and EOCs in all courses, implementing an advisor/advisee program, revising and enhancing 9th grade transition initiatives, planning for post secondary transition, and evaluating extra help and "catch up" strategies and initiatives.

We are especially proud of the 2008-09 School Improvement Council for their role in helping keep NFHS focused on the path of excellence. Their guidance and support is evident. The Council received much praise and recognition for hosting its first legislative forum in March. Over 250 parents and community members were in attendance as well as four of our local legislative delegates.

Our stakeholders continue to work tirelessly to enhance our academic and interscholastic programs in order to achieve outstanding results. To assist us in meeting those challenges, NFHS will continue to emphasize the research-based models of the High Schools That Work school reform initiative. It is with confidence that we remain committed to serving our students and community in providing the best educational opportunities possible.
