REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Williston-Elko High School is the only school in a rural district serving the towns of Williston and Elko and the surrounding areas of Barnwell County. The school and community work closely together to meet the needs of all students in providing a quality education that encompasses a broad range of instructional programs and extracurricular activities.

The school is proud of its many achievements and does not let our small size limit our accomplishments. Our school received the prestigious Palmetto Gold and Silver Awards for outstanding student achievement. Our graduating class had many scholarship recipients. Our students achieved success in various academic and vocational competitions around the state. Our band made it to the state competition and our drama department put on an outstanding performance of "Grease". Our athletic teams and athletes received many honors this year including numerous region titles and playing for the state championship in football.

We continue to expose our students to the world of work. We had a Career Day featuring local and area businesses. Many students participated in job shadowing opportunities with numerous students obtaining employment through the School-To-Work program. Our students and staff contribute to the community with various charitable activities including blood drives, recycling projects, and fundraisers as well as global concerns such as the Invisible Children Project. We continued to bring in local agencies and organizations to provide needed services and assistance for our students.

We are very proud of the year we had at Williston-Elko High School. Our students, staff, parents, administration and community are committed to the mission of working together to make our school the very best it can be.

Richard Stanton, School Improvement Council, Chairperson
