REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2008-09 school year was a huge success for Goose Creek High School. Goose Creek High School made AYP for the first time in the history of the school. In collaboration with the School Improvement Council, PTSA, Booster clubs, Goose Creek High faculty and staff, we all strive to make Goose Creek High the best school in the state. Since our school opened in 1969, it has exemplified pride and tradition in our community. We have improved and excelled in athletics, the arts, and above all, in academics. Our core values are: Rigor—we want to challenge all of our students to take the most demanding classes possible; Respect—we believe that all members of our student body, parents, and faculty must work together to treat each other with respect and courtesy; Responsibility—education is everybody's job and we believe that all stakeholders must work to make sure that our students are prepared to enter college, the military, or the work force in four years; Relationships—working together to help our students reach their dreams. It is everybody's job to make sure that our students have a caring adult at the school looking out for them at all times.

We have made progress in all aspects of our school life as we continue to grow, to expand, and to work towards our goal of the finest education for every student in our school. We have highly qualified teachers who value their profession. We have twelve National Board Certified Teachers on our staff. Our faculty and staff work collaboratively to prepare our students for post secondary experiences. Our faculty constantly uses data to assess student progress as well as their teaching strategies to meet the needs of our students. Our teachers provide quality instruction and expect our students to challenge themselves in their classes. This year we started an advisement program where a staff member would give advice and direction to a group of students each week. Our goal was to build relationships with our students and be a positive role model.

Goose Creek is home to the new Berkeley Center of the Arts in 2009-10. Our mission is to provide Berkeley County students with an intensive, rigorous study of a chosen artistic discipline. At BCA, a school within a school, dedicated students will join together in a concentrated pre-professional program of study that will prepare them to enter top colleges, universities, or conservatories. Our arts program excelled this year at Goose Creek. We had a record number to qualify for All-County band, All region band, and All-County Jazz Ensemble. We had five students who made All-State band. Our "Spirit of Gold" band marched in the state finals. The drama program again put on plays for our community to enjoy. Our JROTC was named an Honor Unit with Distinction for the 28th consecutive year.

Athletics continues to be very successful at Goose Creek. The men's basketball team won the State Championship. The state championship was the first state title for our school in any sport. Our women's basketball team finished second in the lower state. Our football team was region champions for the first time in school history with a record of 9-4. Our athletes also volunteer hundreds of hours to improve our community.
