REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Fox Creek High School's 2008-2009 school year was again one of great academic, athletic, and social achievement. Academically, we continued to be leaders in the region, and our students continued to excel in many areas.

Fox Creek High School was proud to receive Absolute and Growth Ratings of Excellent on its 2008-2009 state report card. These are the highest ratings possible and indicate the school's performance substantially exceeds the standards for progress toward the 2010 SC Performance Goal, which calls for South Carolina's student achievement to be ranked in the top half of states nationally. As a result of these ratings, FCHS received the Palmetto Gold Award. An additional indication of Fox Creek's academic leadership is the ACT scores received by our students. Our students scored an average ACT composite score of 22.5, the highest of all schools in Aiken and Edgefield counties.

We have added to our award winning staff a Director of Technology and an additional Guidance Counselor to support academic improvement. Our teachers have won numerous professional awards, including 5 WJBF Golden Apple Awards and 2 WRDW Time to Care Awards. Three Fox Creek Family members are Nationally Board Certified teachers.

Our new 5.8 million dollar educational facility was completed summer 2009. This new facility is state of the art. It is wired for smartboards, LCD projectors, and a minimum of 5 computers in every classroom. It also has 2 full-sized computer labs and additional computers in the library. There is also a telephone in every classroom, as well as a televised marquee in front of the school. We feel that these additions to our school will assist us in continuing to raise academics. Additionally, our charter was renewed by the Edgefield County Board of Trustees through 2019.

Fox Creek is committed to connecting with parents and the public. The school uses the FCHS web site, monthly Fox Tales newsletters, weekly FasTrack calendars, and a prerecorded telephone notification system to provide important information and maintain communication with parents and community leaders.

Fox Creek's students continued the tradition of community service, holding food drives, volunteering with the Upwards basketball program, and supporting many charities and community programs. Our athletic program continued to grow and again won multiple Class A – Region IV Championships. The Fine Arts Department also presented multiple chorus, band, and theater productions to the community.

The administration School Improvement Council will continue its work to identify opportunities for parents and community members to support the school, and continue its role in supporting Fox Creek High School. With the continued involvement of parents and friends, Fox Creek will continue to be an exemplary school.
