SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Southside High School has had a banner year academically and athletically. Among our many accomplishments this year, the graduating class of 2009 amassed close to six million dollars in scholarship money. Our 168 graduates will be attending some of the finest post secondary educational institutions in the country.

A brief recap of our year includes three state championships and one national championship. On March 7, 2009, our students placed first at the South Carolina Class 2-A Academic Bowl Championship, finished as the top overall winner at the Forensic State Championships, marched to a first place finish at the South Carolina State University Drill Meet competition, and defeated Mullins High School in the South Carolina 2-A basketball championship game, winning the school's second consecutive basketball title. These accomplishments were attained in a twelve hour time span. In addition to the state championships compiled by our students during the 2008-2009 school year, our AFJROTC program won the school's first National Title in Demilitarized Drill Competition in Birmingham, Alabama.

For the third consecutive year, Southside High School has produced the student of the year for Greenville County Schools. As we continue to "Create a Common School Culture of Excellence," our goal remains to meet our students where they are academically, socially, and emotionally and move them forward as they become well-rounded student athletes that make positive contributions to our community.
