SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2008-09 school year was an outstanding year at Travelers Rest High School. The faculty and staff, in conjunction with the community, PTSA, and SIC, continued to strive to provide the best possible educational experience for the Travelers Rest High School student body.

Our level of support to students that have struggled to maintain their academic standing increased this year with the addition of HSAP remediation classes, targeted remediation in reading and math, and Twilight School opportunities. We continued to offer programs to enrich and strengthen the knowledge and abilities of our students, such as free credit recovery and virtual classes that resulted in an increase in the number of students graduating. Our seniors continued to excel with a record number of Palmetto Fellow and Life Scholarship winners. We continued our run of National Merit Finalists and had a National Merit winner this year. Our fourth class of International Baccalaureate Diploma Program students completed their two-year journey, and we expanded our IB and AP enrollment with over 150 students taking at least one college level course this year. Lastly, we showed a gain in our SAT scores again this year, and we were in the top quarter of South Carolina schools in ACT scores.

As always, our extracurricular activities continued to enhance our school experience. Our DECA Club won state championships, and two students placed in the top ten nationally. Athletics provided excitement throughout the year. A record number of players won individual honors by being selected to All State and North-South teams, and several athletes were awarded athletic scholarships. We won two region championships in Men's Tennis and Softball. Lastly, we had our first individual wrestling state champion. Our student body again demonstrated its character and commitment to the community. Our annual spirit week competition raised over \$40,000 for charity, again exceeding their goal for the fifth consecutive year. This is in addition to the numerous smaller projects carried out during the year by our many service organizations.

Our extracurricular programs grew this year, both in number of participants and in their success. Our Student Council was named a Gold Level Honor Council for the fifth consecutive year at the state level, and we were awarded a Gold Level Honor Council award nationally for the first time. In addition, our fine arts program represented the school in fine fashion, with several region, district, and statewide honors.

As educators, parents, and community members, we feel that the students of Travelers Rest High School deserve the best educational and extracurricular opportunities possible. Our faculty and staff are committed to achieving this goal. Please feel free to contact the school if you have any questions, comments, or suggestions.
