SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

White Knoll High School completed the 2008–2009 school year with many successes and with significant challenges. Perhaps our biggest success in 2008–2009 was being named a Blue Ribbon Lighthouse School. This reinforces our goal to serve as a beacon of excellence for students, parents and staff. We facilitate alliances, use best practices and create a positive environment for change. Our guidance department was honored as the first high school in South Carolina to earn "Recognized American School Counselor Association Model Program" status for being committed to delivering a comprehensive, data-driven school counseling program. Instructionally, the High Schools That Work model drives WKHS as we strive to reach academic goals. We encourage all students to graduate with at least one career major. The restructuring of our ninth-grade academy allows us to include year-long classes in English I and Algebra I for students who need extra support. In order to increase our graduation rate and address our at-risk students' other needs, we used grant funds to employ a graduation coach. The grant also allows us to offer an after-school program called APEX, providing online academic assistance for students who need to recover lost credits. We use technology such as Classroom Performance Systems, Senteo interactive response systems and SMART Board interactive whiteboards to improve classroom performance. Individual employees and students continued to excel. Teacher of the Year Jonny Thompson represented WKHS as one of the five finalists for District Teacher of the Year. Our Staff Member of the Year was discipline secretary Pam Walker. Three WKHS students graduated as National Merit Commended Students. One student graduated as a National Achievement Award Student. We had many All-State and All-Region students in both athletics and fine arts. We were the 2008 4A Lower State Band Champion. Several student groups represented WKHS in national competitions. Although WKHS achieved much, we faced challenges as well. We strive to increase our graduation rate and standardized test scores for our students with special needs. We focus on the academic progress of students challenged by lower socio-economic status. We use APEX and other academic support systems to address these and other concerns. The staff of WKHS is dedicated to striving for excellence.

Throughout this year of achievements and challenges, our steadfast focus is on our role as community partner working to develop the tremendous talents of our young people. We look forward to a bright future together.
