REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Founded in 1897, Liberty High School is a 9-12 school, serving a diverse population of students. We believe that we are to prepare all students to be adaptive and productive citizens through emphasis on academic excellence, career preparation, and life-long learning in a safe and caring environment. Liberty High School offers tech prep, college prep, honors, dual enrollment, and Advance Placement courses. Liberty High School has been a model school in implementing the state of South Carolina's new Education Economic Development Act (EEDA). We have been the leader in our district for using the new Individual Graduation Plan (IGP) system to advise students on career pathways. Club One is now part of the culture here at LHS. This is a comprehensive teacher/student advisory system that exposes students to career, social, character, and academic skills. The 2008-2009 school year saw many new programs implemented as a result of preparation for a technical visit in 2009 by the High Schools That Work site evaluation team and the Southern Regional Education Board. HSTW is a major network of middle and high schools that provide support for school improvement initiatives.

Our accomplishments for the 2008-2009 school year are the following:

- Full implementation of Club One (advisory system).
- Embracing the Key Practices for High Schools That Work.
- Continuation of technology upgrade.

- Completion of over 300 hours of service learning through Civic Responsibility, Beta Club and Youth in Government, Life Force, JROTC, Athletic Teams, and Student Government.

- Continuing satellite school for trainable, orthopedic, and profoundly mentally disabled students.

- Implementation of the Teacher Training Program for the students district-wide that are interested in the teaching profession.

- Partnership with Liberty Elementary School on the 21st Century Schools grant

- Competitive Cheer Team won a 3rd consecutive State Championships.

- Increase in number of students in dual-enrollment with Tri-County Tech.

- 11th and 12th graders took advantage of the LHS college tour program.

- Club One Olympics

- Use of virtual/online learning tools in many LHS classes (blogs, online quizzes, document submissions, etc.)

Liberty's Accomplishments are further enhanced by the fact that more than half the faculty and staff have been employed with Liberty High School for more than 10 years. Further, our faculty and staff support the idea that through example and encouragement, we cultivate individual learners.
