## Report of Principal and School Improvement Council

Diamond Hill Elementary School is a rural school with a population of approximately 325 students in grades four-year-old kindergarten through seven. The ethnicity of the school is 88% Caucasian and 12% African American. The socioeconomic status of our families is in the range of low to middle income. We have 60.54% of our students on free or reduced meals. Our mission is, "Challenging students everyday to be a shining success in school and in life."

Our School Improvement Council works with the Diamond Hill PTO to try to improve the environment and education of our children. These organizations have placed an emphasis on our recreational facilities. We will continue to make improvements to our playground and activity areas so that our children's physical fitness is a priority. With this, we will implement schoolwide fitness activities for students and teachers.

Our plan for school wide reform was designed to develop critical thinking skills, integrated communication skills, active student participation in school and community activities, uniqueness of individuals, and lifelong learning. We strive to both strengthen and accelerate student learning in the areas of reading, mathematics, science, and social studies. We also have placed an emphasis on writing by inviting our parents to participate in a quarterly writing prompt. We have had a lot of participation with this. We will implement effective interventions to enhance the daily learning environment for all students as well as build a positive climate for their success. At Diamond Hill Elementary, we believe that the most powerful learning comes when children develop a true understanding of concepts through higher order thinking associated with various fields of inquiry and self-monitoring of their thinking.

With the high quality of students, teachers, and families that we have at Diamond Hill, we will continue to be "A Great Place to Shine!"

Mr. Todd Ramey, Principal

Mrs. Jennifer Hines, School Improvement Council Chair
