Report of Principal and School Improvement Council

The Whitlock Family understands that the success of our students is dependent upon the leadership and guidance from adults. We are committed to teaching and encouraging students to be courageous about their academic success.

After the analysis of Fall MAP scores, it was determined that literal comprehension was the students' greatest weakness at Whitlock; so this year, the faculty made an integrated effort to focus on literal comprehension. In order to narrow the focus, a benchmark was given to determine the isolated area in which the students seemed to be struggling. The benchmark results showed central ideas and relevant details as the components under literal comprehension that needed to be strengthened. Given the fact that reading and writing go hand in hand, the teachers have participated in professional development sessions in which they have learned reading and writing strategies to address the students' needs with literal comprehension. The students were taught the strategies in all their classrooms, which proved to be an excellent way to reinforce the new learning. Not only did teachers get involved with the strategy, the administration at Whitlock also participated. Every way the students turned, they encountered questions to probe their thinking on the central idea and relevant details of a situation. The united effort by the faculty, staff, and students at Whitlock paid off. After analyzing pre- and post-test data, all Warriors had something to smile about. Over 77% of the students had mastered the skill, which was a 32% increase from the pre-test. All involved were pleased with the results, and the faculty is confident that strengthening this one skill will have a positive effect in increasing student achievement.

At Whitlock Junior High, we believe that our students can and will achieve. We will continue to serve the individual needs of our children, and we appreciate all of the help and support we have received from you in that effort. Every decision we make is made with the best interests of our children in mind.

School Adequate Yearly Progress

NI

This school met 10 out of 13 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status

NI

School Improvement Key

NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
