REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Macedonia Middle School continues to ensure the development of the unique potential of each student as a lifelong learner through a comprehensive and challenging education program that embraces the best of traditional and innovative practices within a caring, supportive and safe community of learners. We are a high-performing middle school that integrates academic achievement with parental support, children's needs and interests and community involvement. We continued to advance our level of academic achievement and to cultivate strong community relationships.

Our tradition of excellence was reaffirmed through numerous awards and accolades again this year. Our Teacher of the Year, Ms. Kim Mizzell, was selected as one of Berkeley County's eight finalists for the District Teacher of the Year. In addition, we were elated when informed Macedonia Middle School's Technology Student Association (TSA) won 21 trophies at the annual TSA Convention. MMS's TSA was awarded the 2009 State First Place Technology Student Association Overall Award. Also, our TSA sponsor, Ms. Eva Herndon, was selected as the 2009 State TSA Sponsor of the Year.

Our High Performance Business Education Partnership with Jefferies Generating Station of Santee Cooper continued through the school year with employee volunteers as CHOICES presenters, Lunch Buddies, science fair judges, and career speakers. They also continued to sponsor The Fantastic Foxes program again this year as well as the Terrific Teacher program.

Maintaining and improving our excellent educational program will continue to be MMS's primary focus. We strive to meet the needs of individual students through the expansion of numerous school initiatives. These initiatives included SOAR to Success, STEMS, Accelerated Reading Program, The Eagles Program, The Single Gender Program, The Assist Program, and Compass Learning. Macedonia Middle School continues to participate in the Southern Regional Education Board's Making Middle Grades Work Initiative. Macedonia Middle School's teachers continue to grow professionally, with a large number of our teachers sharing innovative programs at a variety of workshops and conferences. Our PTO worked diligently to support teacher and department requests to ensure the success of our AWARDS Program.

Our school-wide emphasis for the 2009-2010 school year will continue to be on increased male literacy, utilization of MAPS data, development of curriculum units, common assessments and character development. Faculty and staff will be involved in extensive staff development as we continue our tradition of "Excellence in Education."
