REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Brentwood Middle School is to promote and encourage success through a fusion of artistic and academic learning. The goals established this year by the faculty, staff, students and parents at Brentwood Middle School were to continue to improve the academic performance of all students; reduce discipline problems; improve the attendance rates of faculty, staff, and students; increase parental support; provide a curriculum for students that is rigorous, relevant and results driven; and create a safe and orderly environment for all.

This year the faculty has continued to work diligently to improve the academic progress of all students. The students were exposed to the art of drama and dance. Other programs that were implemented this year included: Drop Everything and Read, Writing Across the Curriculum utilizing the 6 +1 Write Traits, benchmark testing in all four content areas, MAP data analysis, and computer assisted instructional programs to assist students with improving Reading and Math skills.

The school's climate also improved this year. There was a decrease in discipline problems, and the attendance rate of faculty, staff and students increased. Students participated in the AVID (Advancement Via Individual Determination) program; which exposed them to college searches and organizational skills. Brentwood was also represented in the North Charleston Arts Festival. Artwork from several students was displayed.

As our students relocate to other schools in the district, we are confident that we have prepared them for the upcoming school year by continuing to improve their academic performance, reduce discipline problems and increase student attendance rates.

At Brentwood our Motto is "Pride, Respect, Responsibility - We Make No Excuses, Take No Excuses."
