SC PERFORMANCE GOAL

2010 Goal:
By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gregg Middle School, located in a suburban area of Summerville, is the second largest of the six middle schools in Dorchester District Two. We currently have 60 teachers serving approximately 950 students in Grades 6-8. We utilize a team concept. Each grade is structured as a school within a school, including its own administrator, guidance counselor, and special education personnel. To ensure that GMS students are exposed to culture and life skills, related arts courses are offered at each grade level. Gifted courses are also offered to enhance our standards-based instruction. Our mission is to provide a safe and structured learning environment with the support and collaboration of the students, faculty and staff, parents and community. The GMS Family will promote high expectations for student achievement and character development in order to encourage successful leaders for our future society.

Our students have excelled in many academic, athletic, and artistic areas. Nearly half of the eighth grade students are currently enrolled in high school credit courses. Twenty-six students were named SC Junior Scholars, and twenty-two students qualified for Duke Tip. One student was elected as the SC State Secretary for Junior Beta Club. Two 7th grade students placed 1st and 3rd in the 2008 Fleet Reserve Association Essay Contest. An eighth grade gifted student won the State Superintendent Writing Award. Two special needs students won 1st and 2nd place in the Extraordinary Arts Exhibit Awards. Another student placed 3rd in the Middle School Division of the 43rd Annual Poetry and Poster Contest. Two students were in the Region Four All-State Band. Additionally, Gregg Middle School was awarded a three-year Distinguished Arts Program grant for dance and theater. Our students enjoyed participating in the Middle School Athletic program, with both our Girls Basketball and Boys Baseball teams earning runners-up in the District Championships.

To overcome our challenges, we have implemented an Inclusion Model for our special needs students and a mentoring program targeting struggling African American male students. We also offer below-basic students a computer-based, supplemental semester-long course focusing on reading and math. APEX, another technology program, is offered for unit recovery to eighth grade students. In addition, we continue to offer the Read 180 Program for struggling readers and encourage our students to read through Reading Counts. We are continuing a school-wide technology plan highlighting SmartBoards, Senteo Interactive Response Systems (clickers), Sharepoint, an intranet site for sharing lessons, and a digital-based morning show produced by the students.

At GMS, we are continuing to strive for excellence and to make a difference in the lives of our students.
