## REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

Daniel Morgan Technology serves Spartanburg County School Districts 3 and 7. Students from Broome and Spartanburg High Schools may elect to enroll in one course or a combination of two-year, one-year, or semester courses available in 16 Career and Technology Education Programs. All programs are offered in accordance with the standards established by the Office of Career and Technology Education, S.C. Department of Education.

Throughout this school year, students demonstrated high levels of technical skills and successes. DMTC students participated in a total of 336 Extended Learning Activities, including Cooperative Education, Internships, Shadowing, Work-Based Learning, and School-Based Enterprises. By meeting industry standards, 300 students earned a total of 398 certifications. With Spartanburg Community College, 73 students earned a total of 116 dual credits in Health Sciences, Machine Tool Technology, Culinary Arts, and Computer Aided Drafting. Eight Welding students earned 18 Technical Advanced Placement credits with SCC as well. In the Accelerated Learning Program, 69 students recovered sufficient credits to return to their class-level status, including 33 seniors who graduated in May. During the annual Awards Day Program, 208 students received certificates for completing a CATE course, and 165 students were recognized for meeting requirements for membership in the National Technical Honor Society. By earning 4 units in a DMTC Program, 111 students met requirements to be a CATE completer.

Thirteen students earned the Award of Educational Achievement from the Southern Regional Education Board. As a Career and Technology Centers That Work site, a program of the SREB, 60 DMTC students participated in the National Assessment of Educational Programs. The 13 students who were recognized scored high in the areas of Reading, Mathematics, and Science.

A major focus for the 2009-2010 school year was facility and equipment updates. With Capital Project funds provided by School Districts 3 and 7, facility improvements included roof resurface, HVAC unit replacements, additional electrical circuits, and floor covering. New equipment was installed in the Machine Tool, Welding, and Automotive Mechanics shops.

For the eighth consecutive year, DMTC earned recognition through the Palmetto Gold and Silver Awards Program. With a high level of student performance during the 2008-2009 school year, DMTC was named a Palmetto Silver school.
