District Superintendent's Report

Barnwell School District 45 is composed of four schools plus an alternative school. We believe that the schools must work with the families and the community to provide the best education possible for our students. We are not and must not be islands unto ourselves. Rather, we are part of a much larger team working to ensure the student's success. Failure is not an option.

We are committed to providing an environment where the students, from our child development classes through the 12th grade, can excel not only academically but also in individual growth. We are fully accredited by the Southern Association of Colleges and Schools (SACS), as well as the South Carolina Department of Education. Barnwell High School was the recipient of a Palmetto Silver Award. This award recognizes the state's schools with the highest levels of student academic achievement and the fastest rates of improvement.

Barnwell 45 is a school system made up of caring and dedicated faculty and staff members that are willing to go the extra mile for the students. Decisions are data driven, but we always remain focused on the students. Our Board of Trustees is insistent that the decisions we make are based on what is best for the students. Our schools are not just schools. They are truly part of our community — a community that values and cares about their young people, and a community willing to work together for the future of our community.
