SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF SUPERINTENDENT

Dear Parents and Community,

Our district-wide theme this year has been "Capturing Hearts, Cultivating Minds." We began our year motivated by the nationally renowned educator, Stephen Peters. We are committed in Williston School District #29 to create an environment for learning where students know we care about them and where we will do whatever it takes to assist them in attaining their education. We have continued to reach out to parents and community to create a partnership so that our students have every chance of being successful in our schools.

A few of our ongoing initiatives district wide are Balanced Literacy, RIT-band instructional groups within classrooms for enrichment, afterschool tutoring by our staff, Positive Behavior Interventions Systems for behavior improvement, professional development by our K-8 curriculum coach, home visits to all families, and family nights hosted by our schools. Some of our new initiatives included Single Gender programs at grades 4 and 7, Credit Recovery at the high school, new block schedule at the high school, Technology coaching at the middle school, and laptops for the eighth grade students.

Extracurricular activities continue to give students an opportunity to be better-rounded. Our football team won the Class 1-A State Championship. Our Golf Team won the Region Championship and placed 5th in the State at the state finals. Our Tennis Team won the Region Championship. Our Girls' and Boys' Basketball Teams proceeded further than ever before in the playoffs. The Girls' Volleyball team was runner-up in the region. In Baseball, our boys reached the district finals. Our band placed 9th in the State Competition. The high school drama class produced the play "Beauty and the Beast," and our Kelly Edwards drama group presented "101 Dalmations," much to the community's delight. All of our academic teams worked hard and were competitive.

Our community continues to be an important member of this team, working together to produce the best future citizens and leaders in Williston. We thank you for your continued support and ideas for improvement and encourage you to provide input to us, attend school events, be a part of the School Improvement Councils, and be present at Board meetings, which are held at 7:00 p.m. every 3rd Tuesday of the month.

If I can ever be of any assistance to you, please do not hesitate to call or come by my office. We are always here to serve you.

Your superintendent,
Alexia C. Clamp
