Report of Principal and School Improvement Council

The 2009-2010 school year was an exciting time to be at Mossy Oaks Elementary School. We were recognized by the State Board of Education and the South Carolina Department of Education for outstanding student academic performance and were declared a Gold Award Recipient in the Palmetto Gold and Silver Awards Program. We were also recognized with a Palmetto Silver Award for our excellent results in closing the achievement gaps among our students. We made Adequate Yearly Progress (AYP) as determined by No Child Left Behind legislation. The staff continued to spend time analyzing student achievement data and worked closely with our instructional coaches to provide environments within their classroom to promote effective teaching and learning. Through the use of these best practices and effective planning we saw positive gains by our students in their "Celebration of Knowledge" on MAP throughout the school year.

Character education continues to be an important part of the daily school routine as we work to build good citizens who are caring, responsible, and trustworthy. This citizenship and caring attitude was evident as we raised \$1,262 in our "Hearts for Haiti" campaign, \$4,125 in our "Math-a-Thon for St. Jude's," \$2,003 in our "Pennies for Patients" campaign, and \$584 for Relay for Life. Through these efforts and our continued emphasis on character, we are moving forward in our quest to build a responsible citizen who will go out each day and make the right choices.

Mossy Oaks Elementary continues to benefit from a strong base of parental and community support. Our PTO held a successful "Back to School Luau," coordinated the grand opening of our "Gallery Art Wall," provided opportunities for students to shop in Candy Cane Lane, and held a successful "Spring Fling." They provided assistance, when needed, to our students, staff, and parents. Through the efforts of our PTO and School Management Team, we continue to provide opportunities for all to become involved in providing a school environment that will help our students to be successful.

During the 2009-2010 school year, we continued in our mission to promote academic growth and character development that will provide a safe environment where every member is in the right place at the right time, doing the right thing, preparing children for their unique roles in the world. Our students know that each day they can make it a great day or not, the choice is theirs.
