## Report of Principal and School Improvement Council

This has been an exciting year for all of us at Shell Point Elementary School. Our students performed well on the 2009 PASS tests and not only made Adequate Yearly Progress (AYP) but were awarded the Palmetto Silver Award for continuous academic improvement. This means that, based on the No Child Left Behind initiative, all students at Shell Point, no matter their background, family income, or race, are making adequate yearly progress. It is wonderful to know that we are reaching all of our students. After all, that is why we are here. We have celebrated the students' gains on the MAP tests and are anxious to get back the 2010 PASS results. The students and teachers have worked extremely hard in reading, math, science, and social studies.

The Beaufort County Schools became accredited district wide, through ADVANCE ED, a combination of the North Central Association Commission of Accreditation and School Improvement, and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement. Shell Point Elementary School also became accredited as a result of this effort. We are very proud of our school and school system for this achievement.

Congratulations to our new Teacher of the Year, Mr. Rod Williams, our music teacher. He was selected by his colleagues to represent Shell Point Elementary School this coming year. We would also like to congratulate Mrs. Sulatha Shetty, our media center assistant. She will represent the school as the Support Staff of the Year. Both of these fine people are most deserving of this recognition.

Earlier this year, we celebrated Read Across America Day, in honor of Dr. Seuss and his birthday, March 2. The day was filled with wonderful reading activities, including many guest readers from outside the school. Even our superintendent, Dr. Truesdale, popped in to read her favorite Dr. Seuss book, Hooray for Diffendoofer Day! The students enjoyed the story and Dr. Truesdale's gift for making a story come alive. We were very excited to offer a Family Math night for all of our parents on May 5th. Students and parents came to play Everyday Math games together. Our guest speaker, Jane White, explained the benefits of the spiraling program and how to help children with homework.

Our School Improvement Council continues to support the school's wellness initiative by monitoring the cafeteria menus for healthy and nutritious food. They also supported the school's "Seahorse Swim" or walk-a-thon, which encouraged children to walk for good health.

Thank you for entrusting us with your precious resource, your children. It is our privilege to have them in our school, teaching them to be well-prepared for their future role in our society.

Respectfully,  
Mary Ellen Parks, Principal  
Lisa Kindwall, SIC Chairperson
